Small Hold My Heart Angel Cremation Urn

Made with a beautiful vintage white stone finish, the small Hold My Heart angel cremation urn is hand painted and crafted from cold cast resin. This material allows our artisans to create a finely detailed angel figurine, holding a small heart, seated on a bench atop the urn base. It features exceptional detailing for such a small urn, including a decorative pattern that circles the base in several places. The bottom of the base is covered in soft felt to protect your furniture, and features a panel that opens to allow you to place a small amount of cremains inside. This panel closes securely with four screws.

Optional Engraved Plaque

We strongly recommend adding an engraved plaque to your angel urn so that it's clearly labeled in case it is misplaced. Choose a silver or gold plaque, which can be permanently attached to the urn. The optional engraving can be written in either a script or block style font, and may include up to 4 lines of text with 45 characters per line. There is also space on the plaque for optional artwork; see your choices in the images above. An optional poem plaque may also be engraved and added to the back of the urn. Choose from one of the 10 different poems shown below.

Poem choices:

Losing You
Our hearts still ache in sadness,
And secret tears still flow,
What it meant to lose you,
No one will ever know

Never Forget
Your presence we miss
Your memories we treasure
Loving you always
Forgetting you never

Butterflies to Heaven
If butterflies could fly to Heaven
they would bring my love to you
and yours right back to me

If Tears Could Build a Stairway
If tears could build a stairway
and memories a lane
I would walk right up to Heaven
and bring you home again

Forever in My Heart
Gone, yet not forgotten
Although we are apart
Your spirit lives within me
Forever in my heart
When Someone You Love
When someone you love
becomes a memory,
the memory becomes a treasure

No Farewell Words
No farewell words were spoken,
no time to say goodbye, you were
gone before we knew it,
and only God knows why

Those We Have Held
Those we have held
in our arms for a little while,
we hold in our hearts forever

Perhaps the Stars
Perhaps the stars in the sky,
are loved ones letting us know they are near,
by guiding us through the night

If Love Could Have Saved You
If love could have
saved you, you would
have lived forever

I ordered a small hold your heart angel cremation urn keepsake for my beloved mothers remains. I search the web I found this company Perfect Memorials to be the best priced and the most options to choose from very tasty very well made unfortunately like everything else made in China. However it is a quality product I'm proud to rest some of my mother's remains inside forever. The company's website is excellent they did a follow up very professional very pleased I recommend them to anyone who needs cremation urns any style any emotion I was very pleased with a follow up email from the company asking if the product was acceptable and everything was okay with me. Now to me that's excellent customer service.

This was a very sturdy, beautiful angel cremation urn. It was a fraction of the cost of others I have seen and just as good. I would buy again.

Bought this for our portion of my mother-in-law's cremains. She loved angels and I thought this would be the perfect urn.

I am very pleased with this urn and would recommend it. Very detailed and beautifully made. I do wish the engraved plate would have already been on the urn because it was hard trying to get it centered. Other than that no complaints!
