Poem choices:

Losing You
Our hearts still ache in sadness,
And secret tears still flow,
What it meant to lose you,
No one will ever know

Never Forget
Your presence we miss
Your memories we treasure
Loving you always
Forgetting you never

Butterflies to Heaven
If butterflies could fly to Heaven
they would bring my love to you
and yours right back to me

If Tears Could Build a Stairway
If tears could build a stairway
and memories a lane
I would walk right up to Heaven
and bring you home again

Forever in My Heart
Gone, yet not forgotten
Although we are apart
Your spirit lives within me
Forever in my heart

When Someone You Love
When someone you love
becomes a memory,
the memory becomes a treasure

No Farewell Words
No farewell words were spoken,
no time to say goodbye, you were
gone before we knew it,
and only God knows why

Those We Have Held
Those we have held
in our arms for a little while,
we hold in our hearts forever

Perhaps the Stars
Perhaps the stars in the sky,
are loved ones letting us know they are near,
by guiding us through the night

If Love Could Have Saved You
If love could have saved you, you would have lived forever

It's a good thing I didn't go by the previous review. This urn is sturdy and its a very handsome piece. I bought this urn for my best friend of 16 years. Its a very modern handsome piece, it matches my decor in my house. I am so happy with Perfect memorials their customer service is amazing. I would definetly use this company again.

**Very nice**

The urn for the price was very nice. It was a little flimsier than I thought it would be but it looks wonderful, the engraving was great and after the ashes were put in it was heavy enough. I wanted an urn that I could keep out but that wasn't the first thing everyone saw when they entered the room. It was a great choice for me.
